

artist who painted and captured the essence of the Nevada statehood in the Forever Stamp.

A resident of Reno, NV, Ron Spears is a university professor with a master's in fine art. His career is decorated with many different projects, ranging from illustrations on casino games, book covers, magazine articles, and even illustrations for *Magic: The Gathering*, *Dungeons and Dragons*, *Harry Potter Card Game*, *Upper Deck*, *Blizzard Entertainment*, and others. Now, Ron can add the Nevada Statehood Forever Stamp to his long list of works of art. His contribution to our State's history is something to be both commended and applauded. Ron's creativity glows from this stamp commemorating Nevada's sesquicentennial.

The brilliance and the vision that Ron discovered on his 2-year travels throughout this great State exemplifies the very inspiration that was born on October 31, 1864. Just beyond the neon lights of the Las Vegas Strip sits the stunning red rocks and bright blue skies that set the stage for a destination that is hard to miss, the Valley of Fire, Nevada's oldest State park. The magnificent formations of sandstone and dunes are what make this park a truly unique and brilliant place, one that I am glad was captured for our stamp. To say that I was struck by Ron's workmanship and vision would be an understatement.

I am truly proud that we are able to showcase this incredible achievement that I am sure will serve as a model for other artists and pioneers, right here in Nevada. Today I ask my colleagues and residents of the Silver State to join me in recognizing Ron for this great achievement and honor.●

#### REMEMBERING HANK LAURICELLA

● MR. VITTER. Mr. President, today I wish to honor the memory of Hank Lauricella, a beloved community leader from Harahan, LA, who tragically passed away in March of this year. Hank was born in 1930 and would have turned 84 on October 19.

I was truly honored to serve with Hank in the Louisiana Legislature, albeit in different bodies. In all of my many dealings with Hank, he was a pure class act and a truly dedicated public servant. Hank was never a show horse out to grab media or other attention. He was a workhorse who got important, concrete things done, particularly in the area of economic development and transportation infrastructure.

Hank was born in Harahan, LA, and attended Holy Cross High School. Following his time at Holy Cross High School, Hank attended the University of Tennessee, where he received his bachelors of science in business administration. While at Tennessee, Hank was a standout athlete who gained immense national recognition. He was a member of the 1951 national champion-

ship team at the University of Tennessee and was first runner-up for the Heisman Trophy. In 1981, Hank was appropriately elected to the College Football Hall of Fame.

Following his college career and a year playing professional football with the Dallas Texans, Hank served as a first lieutenant in the U.S. Army from 1953 to 1955, with 1 year of his service in Korea. After his service in the Army, Hank returned to Louisiana where he joined the family business, John L. Lauricella and Sons, now known as Lauricella Land Company. In that role, Hank was instrumental in providing strong leadership in guiding the company as they transitioned from residential to commercial real estate development.

For over 30 years, Hank served the Jefferson Parish community and indeed all of Louisiana in both the State House and the State Senate. During his time in the State legislature, Hank made economic development one of his top priorities. Hank promoted legislation that benefitted the Louisiana Superdome, the Morial Convention Center, Louis Armstrong International Airport, the Port of New Orleans, and the Pontchartrain Center. Hank also served as an effective leader in many other roles. He was an original member of the Superdome Stadium Commission and played an instrumental role in the construction of the Superdome. Hank served on the boards for the Port of New Orleans, the World Trade Center of New Orleans, the Jefferson Business Council, and he served as the first chairman of the Board of the Jefferson Community Foundation.

Hank Lauricella was a man of many talents and interests. Not only was Hank a superior athlete, he also had a passion for gardening and cooking. He loved to cook using the tomatoes, basil, and rosemary that he grew in his own garden.

Of course Hank is lovingly remembered by his wife of 61 years, Betty, his four sons and one daughter, and his fifteen grandchildren. But well beyond that, Hank is remembered as a great friend and true public servant by the entire extended community which he served so ably.

I am so pleased to join them in continuing to remember and honor Hank Lauricella, a man who provided a great example of leadership through his service to others and his community.●
